Certificate of Non-use of Conflict Minerals

To Our Valued Customers,

Amptech Inc. is a privately-owned company and is not publicly traded, therefore not required to file with the SEC concerning the Conflict Minerals regulation.

However, we have contacted our suppliers and have ascertained to the best of their knowledge and based on reports of Non-use of Conflict Minerals obtained, we hereby declare that, to the best of our knowledge, the products supplied have been designed and manufactured in compliance with the Electronic Industry Code of Conduct and to have only sourced minerals from environmentally and socially responsible suppliers.

1. In compliance of Anon-Use of Conflict Minerals from Democratic Republic of the Congo (DRC):
Gold (Au), Tantalum (Ta), Tungsten (W), Tin (Sn)
2. Requesting that our suppliers report immediately if there are any conflict minerals used in supplied materials per the Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502
3. Requesting that our suppliers undertake commercially reasonable due diligence with their supply chain to assure that minerals used in supplied materials are not sourced from mines in conflict areas.

Robin A. Bailey-Parks

Director of Quality

Amptech, Inc.
